

## COLORADO YOUTH BELIEVE:

... it is wrong  
to use  
marijuana

... it is wrong  
to use vape  
products

... it is wrong  
to consume  
alcohol

**Early drug use, family history of substance use, low family involvement, lack of positive influences,  
are all risk factors for youth developing SUD or mental health problems**

## CONFIDENTIAL HELP IS AVAILABLE:

**Call the Health Department**
