October 26th Update – Public Health Announces Two Additional Cases in Las Animas County One Additional Case in Huerfano County

(October 26, 2020)- Public Health has confirmed two new positive cases of COVID-19 in Las Animas County and one new COVID-19 case in Huerfano County.

Las Animas County has a total case count of 71 with **26 active** cases.

- Male in his 40's who is recovering at home
- Female in her 50's who is recovering at home

Huerfano County has a total case count of 34 with **4 active** cases and 2 deaths.

- Female in her 70's who is recovering at home

Close contacts are still being notified by the public health nurses.

Due to inclement weather the COVID-19 Community Testing site this will be closed and will be rescheduled.

In addition to following the five commitments of containment, getting a flu vaccine is another way our community can do their part to keep one another healthy. This preventative measure can reduce the risk of contracting the flu and will potentially decrease the burden on our medical providers this winter.

Five Commitments of Containment:

- Wear a mask
- Maintain six-feet of physical distance
- Minimize group size
- Wash hands frequently
- Stay home when sick and get tested
