Update -October 21st

Public Health Announces One Additional Case in Las Animas County

(October 21, 2020)- Public Health has confirmed one new positive case of COVID-19 in Las Animas County. Las Animas County has a total case count of 67 with **34 active** cases. Huerfano County has 30 total cases, **2 active** cases and 2 deaths.

The case in Las Animas includes:

- Juvenile female who is recovering at home

Close contacts have been notified by the public health nurses.

A FREE Community Testing Site is available on Tuesdays and Thursday from 1pm to 3pm at the Las Animas County Community Testing Site at 2309 E. Main Street, Trinidad. Free COVID-19 testing is available to all members of the public, regardless of symptoms. No Insurance Required This will run through the month of October.

In addition to following the five commitments of containment, getting a flu vaccine is another way our community can do their part to keep one another healthy. This preventative measure can reduce the risk of contracting the flu and will potentially decrease the burden on our medical providers this winter.

Five Commitments of Containment:

- Wear a mask
- Maintain six-feet of physical distance
- Minimize group size
- Wash hands frequently
- Stay home when sick and get tested
