April 29, 2020

## **NEW** Safer at Home Guidance

As a reminder, Las Animas Huerfano Counties District Health Department's current order stands through April 30th. Our local order supersedes the state order, which goes through April 26th. All current guidelines are still in effect in Las Animas and Huerfano Counties until the end of April. Guidance documents on the first phase of reopening are being finalized and should be available to the general public and local businesses by the end of the day.

If you are a local business in this Safer at Home first phase you are required to complete the Las Animas Huerfano Counties District Health Department Checklist for Business/Facility Re-Opening.

Once you have this completed this document, you can submit it to the health department for review at [c19bus@la-h-health.org](mailto:c19bus@la-h-health.org), fax to 719-846-4472 or drop off in the drop box at 412 Benedicta Ave, Trinidad, CO or 119 E. 5<sup>th</sup> Street, Walsenburg, CO 81089.

Once you have been approved by the health department you can schedule to open on May 1<sup>st</sup> or after pending your approval.

As a reminder, Safer at Home still requires all residents to follow strict social distancing guidelines. If we do not follow this health and safety guidance, it is very possible that we will have to tighten control measures once again to protect our population.

If you have any questions, contact the health department at 719-846-2213.
