

To prevent the spread of COVID-19, we've implemented these additional health and safety measures required by the Las Animas and Huerfano Counties District Health Department

STOP!

DO NOT ENTER IF YOU ARE SICK OR HAVE A COUGH OR FEVER!

Maintain environment where customers and employees can keep 6-foot distancing at all times.

Protective plexiglass shields or barriers are installed at checkout counters or other areas where customers and employees must be in close contact such as customer service counters and other closer contact areas.

Dedicated in-store hours for people at higher risk of severe illness from COVID-19.

Availability of hand sanitizer at entrances and other high traffic areas, and cleaning of frequently touched surfaces (including baskets/carts) for both employees and customers.

Floor decals in cashier and queuing areas are clearly marked to establish safe waiting distance for customers.

One-way traffic flow has been established through aisles. Separate doors for entering and exiting, if possible.

The Las Animas Huerfano Counties District Health Department recommends using a face covering or mask
